CROYDON POLICE DEPARTMENT
REPORT FOR THE YEAR ENDING DECEMBER 31, 2001

This year, as last, was a very busy one in the Town of Croydon, which is reflected in the Calls For Service list at the end of this report.

I have appeared more often in court this year. This was for more criminal cases than last year. Residents are calling in more complaints, which is just what you are supposed to do. I have still maintained a 100% conviction rate for the year. This also means that more of my time is spent preparing these cases for court.

The police department was further upgraded. I was able to obtain a \$ 1200.00 digital radio for the cruiser. Along with this, I was able to obtain a \$ 3200.00 lap top computer. This computer will eventually be connected to the radio and motor vehicle listings, license and registration checks, and motor vehicle records can be run directly from the cruiser without having to utilize dispatch. I have further upgraded the police department with a television to be used for training, court diversion, and for the classes at the Croydon Village School. I have obtained a hand held metal detector, firearm accessories, and an evidence safe. I have modernized my office. Again, as last year, all this was done at no expense to the taxpayers of Croydon.

I have obtained new patches for the police department. These reflect the image of Croydon. It was with the permission of the Croydon Historical Society that I was able to use their design.

The 1995 Ford Explorer has been driven 5168 miles during the past year and is still in good shape and has been maintained properly. The current mileage is 39084.

By the time you read this report, I will have already come back to the area from Salt Lake City, Utah, covering the 2002 Winter Olympics in a security compacity. I applied and was accepted, partially because I had served at the 1996 Summer Olympics in Georgia. Croydon is now, as Newport was then, part of Olympic history. I am proud to represent you all.

The calls for service rendered during 2001 were down from 2000. Find below the calls for 2001 as compared to 2000.

Report of the Road Agent

Another year gone bye ?!

I wish the work week went by that fast. Nothing much to report about so far except a little more paving & shimming here and there.

A real pain in the butt is up for paving this year, Brighton Rd hill.

The new truck goes great but it will be even better when we finally get the auto chains to work right.

Another thing that is great is having two big trucks out at the same time when help is available.

Hopefully the worst of it is over.

Think Spring☺

Don Lussier

Road Agent

P.S.

There are still a lot of houses that aren't numbered for 911. If you ever want the Police - Fire or EMT's to find you, before it's too late, take care of it!

CROYDON VOLUNTEER FIRE DEPARTMENT, INC.

The year 2001 was very busy for the members of the fire department. Many hours of training were spend by our members in and outside of Croydon. We now have 6 first responders, Willis Ballou, Sandy Beard, George Caccavaro, Jason Emery, Jessica Leone, and Sanford Speer. The fire department has purchased medical kits and oxygen kits for each certified responder.

The fire department took possession of our new 2001 Ferrara Pumper Fire Truck in September. This was an expensive purchase which was acquired by the fire department at no cost to the town. (\$255,000.00 plus interest) The fire department is making payments on this truck. The fire truck was loaded with \$15,000.00 plus in new equipment along with equipment from in house.

The department purchased new fire turn out gear for approximately \$14,000.00 to replace equipment, some of which was 30 to 40 years old and very unsafe. Also we spent \$7,000.00 on insurance.

A special thank you from the Fire Department to the Ladies Auxiliary for helping to support us so we are able to give the town better fire department coverage.

We had 59 fire calls last year:

- 8 smoke investigations
- 2 illegal burns
- 2 out of control permitted burns
- 2 structure fires
- 2 chimney fires
- 8 wires down
- 1 blocked road
- 7 auto accidents
- 4 mutual aid
- 2 mutual aid joint trainings
- 21 public assist

The first responders also had 33 medical calls. A reminder after getting a fire permit please call the fire department and leave message that you are burning. Also as a reminder please make sure your 911 numbers are posted at your residents so in an emergency we can find you. Thank you.

Ralph (Skip) Beard, Chief

SPECIAL THANK YOU

We, the members of the Croydon Volunteer Fire Department want to thank Chief Ralph (Skip) Beard Jr. for everything that he has done for the fire department in the past year. Chief Beard has made a huge different in our fire department. He has updated us to the 20th Century. His number one concern is the protection of the town. Some of the things that he has made sure that were updated or working to get us.

- *911 numbers (to find your house)
- *Radios (we need communication)
- *Applied for the new repeater (to hear our calls)
- *New gear and all the equipment needed to go on it (You can't use out-dated)
- *New helmets with the right reflective equipment on it.
- *ID Tags for everyone's jacket
- *Getting the roof fixed (snow damaged last year)
- *Updated the new 2001 truck with new equipment on it
- *Fixed engine 2 so it can be used in the winter (never had a heater or defroster) Also thank you to Tom Aiken, Bob Aiken, and Steve Rizza
- *Picked up a utility truck
- *Water rescue equipment

This is just a few things that he has done. This doesn't include the trainings and meetings each week to keep the people who want to be trained the right way. Again Thank You to Chief Beard for the huge different you have made.

CROYDON FIRE DEPARTMENT LADIES AUXILIARY

The Ladies Auxiliary has been busy with bingo each week. Every Thursday night you will find us at the fire station getting ready for another fun evening. We want to give a special thank you to Willis Ballou and Steve Leone for calling bingo every week. Also a special thank you to every member who helps out every week.

The Auction was a success again this year. The ladies baked goodies and sold hamburgers and hot dogs in the kitchen.

We did a few catered dinners this year which were a success. I want to thank Edith Rossiter and Barbara Speer for all of their help at the dinners. We couldn't have done it without you.

We have new members and are always looking for more new members to join the fun. Call the fire station any Thursday or leave a message. (863-6916 ask for Sandy).

Looking into 2002--Bingo is going to be excellent. We will have a new game schedule with bigger payouts and new games. Hope to see you on Thursday.

COMMUNITY FOREST FIRE WARDEN AND STATE FOREST RANGER REPORT

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests and Lands cooperate and coordinate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ALL outside burning. Fire permits are mandatory for any open burning unless the ground where the burning is to be done (and surrounding areas) is completely covered with snow. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs. Open burning is a privilege, **NOT** a right. Help us to protect you and our forest resource! Build small brush piles that can be quickly burned and extinguished.

New Hampshire experienced over 940 wildland fires in 2001. Most of the fires were human caused. Due to dry conditions fires spread quickly impacting more than 20 structures. Homeowners can help protect their homes by maintaining adequate green space around the house and make sure that the house number is correct and visible. **Only You Can Prevent Wildland Fires.** Contact your local Fire Department or the New Hampshire Division of Forests and Lands website at www.nhdfi.com or call 271-2217 for wildland fire safety information.

Croydon Historical Society

879 NH Route 10
Croydon, NH 03773

The Croydon Historical Society is in its third year of organization with our upcoming Annual Meeting on May 11, at 10:30 AM at the Town Hall. This is open to the public as are all our meetings and we will have a guest speaker, refreshments and a brief business meeting. Our board of directors include: Jane Dearden-President, Carol Marsh-Vice-President, Albert Smith-Treasurer, Cody Collins-Secretary, Rita Gross, Clyde Marsh, Joyce Jordan, Shirley Kowalczyk, Cynthia Phillips, Colleen Hughlock, Harry Newcomb, Bess Hastings, and Paul Hastings. We seek new participants to fill this years board for a term of one year.

I'd like to give some very deserving credit here to Albert Smith. Bert has done an outstanding job of permanently documenting the entire John Cooper journals which are a handwritten account of Croydon's early history. He has also completed the town's vital statistics; births, deaths and marriages, from 1900 to present for permanent record all in one place. He has also worked with the Cemetery Trustees on field work in the cemeteries to update our maps, which are then being remade by Clayton Platt. Also, Bert has put the names to every property on the new street map with Croydon owners through the end of 2001. We will now make a copy of this as permanent historic documentation. Many thanks to Bert for all his hard work.

We also try to keep in touch with our members and the town as a whole by having an insertion in the monthly church newsletter. This is done by Cynthia Phillips, thank you and please don't give it up. Many thanks to the church for including us.

Carol Marsh and I have been invited to the Village School regularly to include a local history program into their curriculum. The children get right into it with us and we plan to continue.

Our annual Appraisal Day has been fun and successful with this years event scheduled for Oct. 26. Mark your Croydon calendars. Calendars, medallions and Yankee Magazine subscriptions help us raise money and are available at the town office and Coniston store. The Coniston also has Village School postcards for sale, the photo taken by Rita Gross. The logo we designed for the Historical Society has now also been used for our police chief as his arm patch. We were glad to approve of this use.

Our meetings are always the second Saturday of the month, except July and August when we don't meet, always open to the public, you don't have to be a card carrying member to join us, so please do.

With Great Appreciation to all who help us, Jane Dearden, Pres.

Lake Sunapee Region Visiting Nurse Association and Affiliates

Lake Sunapee Region Visiting Nurse Association is proud to have served residents in the Town of Croydon this year. The life-changing events of September 11 reminded all of us of the value of our community and our country. Our staff traveled more than 500,000 miles this year bringing care to families, friends and neighbors in this region.

Here at LSRVNA we spent the year focusing on ways to improve the care that we provide to you. That process took many forms... from assessment of clinical practice standards to ensure a good outcome for the patient and family, to partnerships with other providers to reduce costs, and to investments in technology to improve the care we provide and give us the information we need to make well-informed business decisions.

Several areas are noteworthy. First, our Hospice program cared for 91 patients, the most patients and families since its inception. The Hospice Team, including physicians, clinical staff, support staff and over 50 volunteers worked to ensure that each patient and family received the support they needed to allow their loved one to remain at home until death.

Second, our Pediatric program expanded its services by adding highly skilled nurses who are able to provide the care necessary to keep children at home with their parents and families; children on ventilators, children with diabetes, cystic fibrosis and orthopedic problems. This means the world to families. One father stated "your service has allowed us to be a family again."

Finally, we invested in an exciting new telehomecare program. Our HomMed Sentry units allow the nurse to monitor their patient's vital signs daily, review that information here in our office and notify the physician in time to prevent serious complications.

Part of the mission of LSRVNA is to provide other community benefits for residents in the towns we serve. In addition to charity care we provided:

- Lifeline Personal Response System administration for 248 individuals
- Weekly Parent-Child Support group including transportation and child care for more than 40 families
- Community education programs on CPR, caregiver training, advance directives, parenting, healthcare ethics and more
- Trained 10 Hospice volunteers
- Participated in 8 community and business health fairs
- Provided clinical and business experience, internships or job shadowing for 35 high school, technical school and college students
- Provided meeting room space for outside groups
- Provided medications for needy children
- Provided storage space and distributed food for the Kearsarge Food Pantry
- Provided bereavement support to adults and children through home visits and support groups
- Provided File of Life kits and emergency information to each patient admitted for service
- Provided 20 bicycle helmets for children to prevent injuries

- Provided more than 400 pairs of Tread-mate safety socks to home care and hospice patients as part of our Cozy-Home Safety project

This year 56 residents of Croydon utilized our services. Our Home Care and Hospice programs provided 231 visits to 33 adults and children. We provided more than 39 immunizations, and Life Line services for 3 residents.

Lake Sunapee Region Visiting Nurse Association is grateful for your support. The Boards of Trustees and the staff join me in reaffirming their commitment to you to provide the quality home care, hospice and community services you need and expect

Respectfully,

Andrea Steel
President and CEO

Southwestern Community Services Inc.

A Community Action Agency Serving Cheshire & Sullivan Counties

November 19, 2001

Mr. David Hooley
Croydon Board of Selectmen
HCR 63, Box 9
Newport, NH 03773

Dear Mr. Hooley,

On behalf of Southwestern Community Services, Inc., I would like to discuss the possibility of having an item placed on your town warrant. We're at the point where we must ask communities we work with to consider a small appropriation to assist in our outreach efforts. Although other Community Action Agencies in New Hampshire traditionally have received town support, we have resisted, knowing how tight budgets are. Now, however, we have no alternative if we are to continue the level of services that we currently offer.

I have enclosed for your reference an updated list of the services that we provide to the residents of your community, along with the value of those services. We are asking each community to place us on the warrant to see if the residents will vote to appropriate a small percentage of the resources that we put into that community. Therefore, I ask that Southwestern Community Services, Inc. be placed on your town warrant to request a minimum appropriation of \$500. This amount will allow us to maintain the outreach and service delivery in Croydon at the same level as in the past.

In closing, I would like to offer to meet with the Board of Selectmen, the Budget Committee, or any group you suggest in an effort to further detail the significance of our request. I look forward to hearing from you in the near future.

Sincerely,

David W. Osgood, Deputy Director
SOUTHWESTERN COMMUNITY SERVICES, INC.

Board of Selectmen
Town of Croydon
Croydon Town Hall
Croydon, NH 03773

Dear Members of the Board,

May we again request that you continue to support the Sullivan County Nutrition Services Meals-On-Wheels Program.

We respectfully ask you to include an item in your 2002 budget for \$300 to help support the Nutrition Program. If you have any questions please get in contact with me. We would like to know when your town/council meeting is held so that we can plan on attending.

Listed below are the services provided by Sullivan County Nutrition Services to the people of Croydon during the year 2001:

- ❖ Home Delivered Meals....1,508 meals
- ❖ Congregate Meals
- ❖ Outreach
- ❖ Safety Checks
- ❖ Commodity Supplemental Food Program

We wish to thank you for your assistance and concern for the elderly citizens of Croydon.

Sincerely,

Jerry Durant
Executive Director

PROPOSED WARRANT ARTICLES
SCHOOL YEAR 2003

To the inhabitants of the School District in the Town of Croydon qualified to vote in district affairs.

You are hereby notified to meet at the Town Hall located on Route 10, in said district, on Saturday March 16, 2002 at 1:00 PM to act upon the articles set forth in this warrant not covering the election of district officers. Said officers will be elected by official ballot and checklists at the Town Hall on the 12th day of March 2002. The polls will remain open for this purpose from 11:00 AM to 7:00PM.

ARTICLE 1

To see if the School District will vote to raise and appropriate the sum of \$1,315,000 for the purpose of constructing an elementary school and kindergarten in the Town of Croydon. Further to see if the School District will authorize the issuance of not more than \$1,315,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the School Board to issue and negotiate such bonds or notes and to determine the rate of interest hereon. Further, to see if the School District will authorize the School Board to apply for and expend all available monies that may be provided by the State of NH or other sources to offset the cost of said school construction.

ARTICLE 2

To see if the School District will vote to raise and appropriate the sum of \$480,000 for the purpose of constructing a kindergarten in the Town of Croydon. Further to see if the School District will authorize the issuance of not more than \$480,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the School Board to issue and negotiate such bonds or notes and to determine the rate of interest hereon. Further, to see if the School District will authorize the School Board to apply for and expend all available monies that may be provided by the State of NH or other sources to offset the cost of said school construction.

ARTICLE 3

To see if the School District will vote to raise and appropriate the sum of \$39,000 for the purpose of purchasing the Hawkins land on the corner of Route 10 and Loverin Hill Road in the Town of Croydon for the future construction of a school and to conduct such surveying soil testing and legal work as may be deemed necessary by the School Board in negotiating such purchase. Further to see if the School District will authorize the issuance of not more than \$38,000 of bonds or notes in accordance with the provision of the Municipal Finance Act (RSA Chapter 33) and to authorize the School Board to issue and negotiate such bonds or notes and to determine the rate of interest thereon, with the \$1000.00 balance of this appropriation to be raised by taxation.

ARTICLE 4

To see if the School District will vote to raise and appropriate \$782,062.00 for the support of schools. for the payment of salaries for the school district officials and agents, and for the payment for the statutory obligations of the district. This article does not include appropriations voted in other warrant articles.

ARTICLE 5

To see if the school district will raise and appropriate from undesignated fund balance, (surplus) as of June 30, 2001, if available, an amount not to exceed \$10,000.00 to be placed in equal amounts into the capital reserve funds known as School Capital Reserve Fund-Special Education and Capital Reserve Fund - Transportation.

Croydon School Board Report

It has been a busy and exciting year for the Croydon School system. We started the school year with 17 children enrolled in the Red School House and are finishing with 22. Last June we bid a regretful farewell to Jennifer Wishnfsky and welcomed Lynne Touchette as our new elementary school teacher. Lynne had been our Title One teacher, Kindergarten teacher and elementary aide. By all accounts the school is running very well and the education of our youngest children is excellent.

We also hired Cathy Pellerin as our new kindergarten teacher. We have five children enrolled in kindergarten in the Town Hall. Mrs. Pellerin works great with our youngest and they will be well prepared to start first grade next year.

At the beginning of the year we had 70 students enrolled in grades 4-12. The school board has been trying to take an active roll in monitoring the progress of these students as they move through the Newport schools. We have reviewed the test scores, report cards, and schedules of all our students. In general Croydon students seem to do about average when compared to all the students in the state. We have concerns about the block scheduling in the Newport Middle High School and are pleased that there will be fewer "block" classes next year. We have continuing concerns regarding the class schedules of many of our students in Newport and we are hoping to work more closely with the Newport board next year.

The Croydon School Board has been active on the SAU Board this year. The SAU provides all of our curriculum and financial support and it has been a difficult without a full-time business manager in place. Dr. Gauthier, our superintendent, plans to retire in June 2003 and the challenge for the year ahead is to find the right person to run the office and manage our schools. This is especially important in Croydon as the superintendent also serves as the principal for our school. We are also facing the challenge of restructuring SAU 43 to make it more efficient.

The budget that is presented for the 2002-3 school year should prove a pleasant surprise for every taxpayer in Town. In 2002, the school tax rate rose \$2.80, but this years budget should lead to a reduction in the tax rate equivalent to last years increase (about \$3.00 per thousand-not including any of the warrant articles presented.)

The school board is looking forward to the year ahead. We would very much like to increase the community involvement in with all of our students. This past year the Historical Society has begun a program to bring local history to the elementary students. The PTO is alive, but it would be great to see more involvement from parents and all residents, young and old. As a board we hope to increase the opportunity for parents and the community to meet with us by scheduling at least some less formal meetings at different times of the day and at different places. We will still meet regularly on the second Wednesday of the month and we look forward to your input and suggestions. See on the 16th of March.

Sincerely,

Lorraine Newcomb
Clayton Platt
Roxanne Turner

SUPERINTENDENT'S REPORT

This year has been both an exciting and a productive one for the Croydon School District. By modifying assignments I have been able to devote more of my time to Croydon. When I need to be energized I visit the Croydon Village School. They have actually allowed me to teach a class in writing and I am about to instruct the third graders in multiplication. It's good to be teaching again.

The Kindergartners are a great joy. To see how the five of them have grown and matured under the direction of their Teacher, Cathy Pellerin, is simply extraordinary. They will all be ready for first grade in the fall.

Lynn Touchette is doing an outstanding job in her first year as classroom teacher. The children and parents are very appreciative of her efforts. She is not only an excellent teacher, but is also an outstanding communicator. Furthermore, she has developed a great working relationship with her team made up of Marybeth Scanlon and Marlene Tellor.

As you know, we have been without a business manager since July. However, with the help of excellent SAU staff, we have been able to provide the board with the financial information required to develop the budget which you will be asked to approve. The operating budget is actually less than last year's. I ask that you support it.

You are also being asked to approve the purchase of land for a new building. In my opinion, Croydon will need this land in the future and it serves as a good investment. There are also two warrant articles dealing with possible buildings. One is for a school that could house all of the children K-5 with three classrooms and a general purpose room. The other option is to build a smaller building that would house just the kindergarten. I ask you to carefully weigh these options and to support one or the other.

Croydon has provided me an opportunity to work closely with the Board, parents, teachers and the children in one of the great small districts remaining in the state. Thank you.

Dr. William J. Gauthier, Jr.
Superintendent of Schools
